

# Tall Collectible Storage Bag

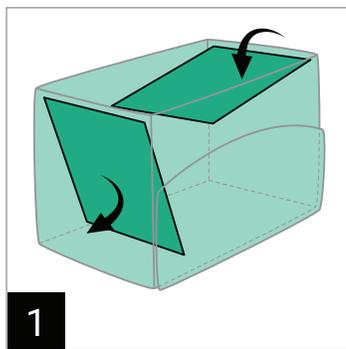

Model No. TK-30026-RS | Assembly Instructions

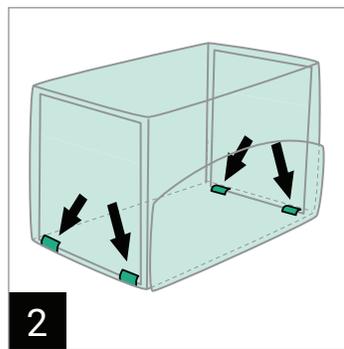

Please lay out all parts and read instructions prior to assembly.

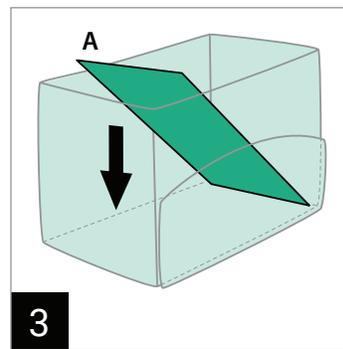

## How to assemble your Tall Collectible storage bag

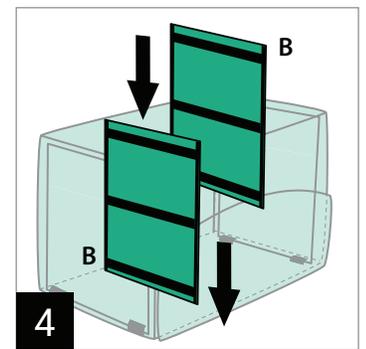

Rotate the side frames down until vertical

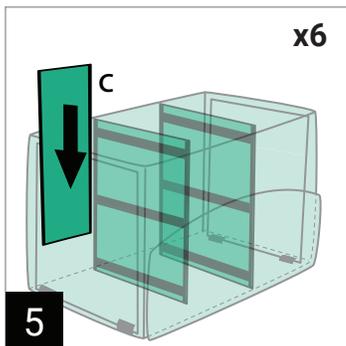

Secure the side frame with the velcro tabs at the bottom of the bag

Insert the bottom panel

Insert and position the wide dividers creating three equal sections within the bag. Use part C as reference for the placement of these dividers.

Insert the short dividers as needed in between the bag walls and the wide dividers.
